No.CMM/e-Procurement/190/1

Dated: 08/09/11

NOTICE

To keep pace with the present technology, better transparency in the system, removing geographical limitation and for reducing lead time, DVC has planned to introduce the procurement/works/services activities through e-Procurement solutions in line with Central Vigilance Commission (CVC) guidelines.

ITI Limited, a Govt. of India Undertaking is entrusted to develop the module of e-Procurement in DVC system.

The e-Procurement will replace the present mode of manual tendering at the designated places w.e.f. 23.09.2011.
